

THE LEGACY BREEZE

Official Monthly Newsletter of Legacy Garden Rehabilitation & Living Center and Prairie Breeze Assisted Living

April showers bring... What will April behold for us here at Legacy Garden and Prairie Breeze? We kick off this month celebrating Easter. After Easter, our plan is to enjoy as much of the spring weather outdoors as we can. Our favorite fluffy friend, Oakley, will be back in the building this month for the first time in what feels like a decade. So, bring on the April fun, we're ready for you!

We start the month off with Easter celebrations. We have already received donations of decorations and cards from our fine supporters. If you enjoy crafting, decorating, coloring, or just cutting out shapes of paper please send your creations our way! We love all homemade creations so we can decorate with love around our facility. We also have an Easter Bunny (might be the activity director) sneaking eggs around the building. I wonder what the bunny will drop off on Easter if he/she is already preparing?

It has been a long winter inside. The smell of spring and the sound of chirping birds have already begun. As we move further into spring, we plan to spend nice days outdoors. Look for us on the front lawn sipping drinks and playing yard dice. When the weather is rainy (it is April after all) we plan to enjoy some soothing spring thunderstorms.

Oakley is a name most have not forgotten around here. He's our large, fluffy, cuddly, and drooling... wait... huh? Oh yes! Oakley is our therapy dog. He is a wonderful, lovable therapy dog that the residents are anticipating with great excitement! For the first time ever, he will now be visiting Prairie Breeze as well. Nothing better than springtime "puppy love".

Thank you to all who read this newsletter every month. This newsletter only touches a small portion of our activities so don't forget to check out our Facebook page for more news, pictures, updates, and more. Happy Spring from all of us here at Legacy Garden and Prairie Breeze.

-Amy Kanger A.D.
Life Enrichment Activity Director

RESIDENT OF THE MONTH

Anna Burmester

Legacy Garden's resident of the month is Anna Burmester. Anna was raised on a farm. She remembers her horses, cattle and hogs well. When Anna was young she rode her horse to school. She went to a small country school by Walthill, NE. Anna has three daughters, is a grandmother, and a proud great grandmother. Anna loved cooking when she was younger. She cooked many homemade meals from scratch. One of her most delectable dishes was chicken and dumplings... Yummy!

Since coming to stay at Legacy Garden, Anna has made a lasting impression on many. She loves our holiday celebrations, bingo, and is wonderful at exercise. Anna is very fond of our newsletter here. She does enjoy the word searches that we offer on the back of each newsletter. Anna is a joy to talk to and filled with a wonderful wealth of information. She has much knowledge to share. All the staff and residents really love having Anna here at Legacy Garden!

ABOUT US

Legacy Garden and Prairie Breeze are both located in rural Pender, Nebraska. Legacy Garden is a non-profit 42-bed, Medicare and Medicaid certified, long-term care facility. We offer physical, occupational, and speech therapy services. Prairie Breeze is an affordable 16-bed assisted living community. Each apartment is equipped with a private bedroom, living room, kitchenette with a refrigerator and microwave as well as a private bathroom with a walk-in shower. We are proud to be affiliated with the Pender Community Hospital District.

MISSION

Our mission is to provide a continuum of exceptional health care service in a healing environment for everyone.

THANK YOU

Thank you to Frontier Bank, the local churches and everyone who volunteers at our facilities!

SPECIAL THANKS!

US Foods and Pender
Community Hospital
providers for our 1-year
covid free celebration.
