

THE LEGACY BREEZE

Official Monthly Newsletter of Legacy Garden Rehabilitation & Living Center and Prairie Breeze Assisted Living

Hello everyone! This past month has been rather exciting. We have witnessed another historical milestone in our facilities. The second round of our COVID-19 vaccine was administered! Our staff and residents were very thankful to be given the opportunity to receive the vaccine. Our residents are looking forward to some exciting reintroductions. The facility has been filled with joy and excitement- something that we have not seen in a while. Our pastors will soon be able to start having services in the building! We will be having our merrymaker's concerts and indoor visits! We are excited to say things are looking up.

We are excited to see entertainment from the outside world. We appreciate the huge support that we get from the surrounding religious communities. It's very fulfilling to our residents to have the opportunity to participate in services again. We are also very pleased to have the joyful tunes of the Merrymaker performers back! Merrymakers concerts and performances are a resident favorite.

Thank you to all our families that have been visiting. We have gone a long time without being able to hug our loved ones. Thanks to our hugging booth we can once again hug and hold hands with those we hold dear to our hearts. Please call to set up a visit with a loved one today! This pandemic has truly shed some light on how important loved ones are in a person's life.

The light at the end of this long, long tunnel is finally starting to appear. We are seeing some things go back to the way they were pre-pandemic. Now, all we need is continued hope and support from you, our wonderful friends and family. We here at Legacy Garden and Prairie Breeze wish you all a wonderful March. We all hope to see everyone soon!

RESIDENT OF THE MONTH

Charlotte Roth

Legacy Garden's resident of the month is Charlotte Roth. Charlotte is a loving mother and grandmother. She often talks about how proud of her grandchildren she is. Charlotte will tell stories to the staff about all the wonderful things she cooked when she was at home. Charlotte's family stated that one thing Charlotte loves more than anything is reading. She is a truly special person.

Since coming to stay at Legacy Garden, Charlotte has made many friends. She is very close to several individuals here. She is a joy to be around and a great friend to talk to. She enjoys bingo and watching her TV shows. Charlotte was crowned the 2021 Valentine's Day Queen. She has also won a few of our trivia challenges. She's a big fan of word finds! Often you will see her walking the halls on her way to the dining room. All the staff and residents really love having Charlotte here at Legacy Garden!

ABOUT US

Legacy Garden and Prairie Breeze are both located in rural Pender, Nebraska. Legacy Garden is a non-profit 42-bed, Medicare and Medicaid certified, long-term care facility. We offer physical, occupational, and speech therapy services. Prairie Breeze is an affordable 16-bed assisted living community. Each apartment is equipped with a private bedroom, living room, kitchenette with a refrigerator and microwave as well as a private bathroom with a walk-in shower. We are proud to be affiliated with the Pender Community Hospital District.

MISSION

Our mission is to provide a continuum of exceptional health care service in a healing environment for everyone.

THANK YOU

Thank you to Frontier Bank, the local churches and everyone who volunteers at our facilities!

SPECIAL THANKS!

Pender Public Schools for
the snowmen in our yards!
